Die tye mag aangepas word, of meer klasse kan aangebied word, na aanleiding van die hoeveelheid leerders wat aan 'n spesifieke aktiwiteit deelneem. Ouers mag nie self kies watter dag/tydsgleuf 'n leerder die klas wil bywoon nie, aangesien klasse ingedeel word volgens ouderdom en nasorgbywoning. Die aanbieders doen die klasindeling en sal die ouers inlig oor die dag/tydsgleuf.
Alle reëlings kan direk met die aanbieders getref word. EFT asseblief die aanbieders van die aktiwiteite direk.

The times may change, or new classes may be added, depending on the number of learners participating in an activity. Parents may not choose on which day/times slot they want the learner to attend a lesson, as classes are allocated according to age and aftercare attendance. The presenters do the class allocation and will inform the parents about the day/time slot.
All the arrangements can be made with the presenters directly. Please EFT the presenters of the activities directly.

Leerders moet asseblief van eie ouer vervoer gebruik maak vir alle sport wat by Laerskool Welgemoed aangebied word. Kontak asseblief die aanbieders indien u kind 'n geleentheid Laerskool toe benodig of indien u kan help om 'n geleentheid vir 'n ander leerder Laerskool toe aan te bied.

Learners have to make use of their own parent transport for all sports offered at Welgemoed Primary School. Please contact the presenters if your child needs a lift to the Primary School, or if you can help to offer a lift to the Primary School for another learner.

Kinders wat nie nasorg doen nie en wat in die eerste tydsgleuf (om 13:00) buitemuurse aktiwiteite doen, hoef nie huistoe gaan nie. Daardie kinders kan by die skool bly en buite speel saam met die nasorgkinders, al doen hulle nie nasorg nie, totdat die aktiwiteit begin om 13:00. Die klasassistente sal daardie leerders help om voor storietyd aan te trek vir ballet en karate.

Children who do not do aftercare and who do extra mural activities in the first time slot (at 13:00) do not have to go home. Those children can stay at school and play outside with the aftercare children, even if they are not doing aftercare, until the activity starts at 1pm. The class assistants will help those learners get dressed for ballet and karate before story time.
